MISHA KAZAKOV

SKILLS

Blender | Unity | C# | Substance Painter | Photoshop | Miro

EXPERIENCE

Magnetic Love

Game Designer | February 2026 - May 2026

In a team of six people, we created a vertical slice of a game, where I was responsible for game design, level design, implementation, and audio.

DAE Study Night

Study Night Team Member | 2025 - 2026

During my studies at DAE, I was part of the Study Night Team, where I learned how to work behind a bar, organise large events, and communicate professionally with people.

Hawaiian Poke Bowl

Student Job | August 2026 - Present

Performing various roles as a bowl preparer, waiter, and cleaner. Practising communication with customers and co-workers.

EDUCATION

Digital Arts and Entertainment

Independent Game Production | 2024 - 2027

Acquired skills:

- **Project management,** client communication, and team organization.
- **Game design**, brainstorming and iterative process.
- **Modeling,** creating low-poly models in Blender.
- **Unity**, game development, and rendering.
- **C#**, intermediate proficiency in Unity.
